

REDUCE THE RISK

FIREFIIGHTERS ARE 2X MORE LIKELY TO DEVELOP CERTAIN CANCERS

RESPONDER WIPES® are developed by a firefighter for firefighters. They are uniquely formulated with Micellar Water, an innovative ingredient with cleansing compounds that dissolve dirt, oil, soot, and other hydrocarbons. Micelles gently lift away toxins and contaminants, and draw out impurities from pores while hydrating your skin more effectively than traditional cleansing wipes.

REDUCE THE RISK

THERE ARE 84,000 POTENTIAL CHEMICALS IN SMOKE AND SOOT

RESPONDER WASH removes lingering odors after a fire in as little as ONE use. It is formulated with activated charcoal which eradicates dirt, toxins, and odors. Responder Wash Shampoo + Body Wash gently draws out impurities from the skin and hair naturally for a clean regular shampoo and soap cannot provide.
